Hawg Hawlers

NEWSLETTER

This was the first year for our club to make the trip to Table Rock Lake for a Hawg Hawlers Tournament. For some it was the first time they had ever been on the lake much less fished it. Everyone stayed at either Trails End or Indian Point Resorts, which are just one cove away from each other.

There were many who took a day off Friday and went down to get some pre-fishing done. With everyone so close to each other, it was easy to get some information about the fishing. For some it was good and for others it was bad.

After the first day of fishing Tony Meyers and Dan Durbin wrapped up first place with 4 fish (3 for Tony and 1 for Dan) including big bass. In second place was Ray Hawkins and Terry Gross with 2 fish. Third and fourth place were separated by only a few pounds.

Sunday morning the officers decided to post-pone the take-off time by 15 minutes in order for some better light conditions. At the weigh-in Sunday afternoon it looked like many anglers found some kind of pattern. Tony Meyers and Dan Durbin came in with another fish to clinch first place.

Second place went to a team that is very familiar to everyone I'm sure. It seems that when the chips are down these guys always find a way to come in with something, Terry Stanek and Bob Treadway came in with 2 fish a piece and passed Ray Hawkins and Terry Gross, who came in with another fish, and ended up with third place.

Tom Clark and T.R. Clark came in Sunday with just one fish, unfortunately for some it weighed 3.06 lbs, which was good enough for fourth place and big bass. To get the rest of the results, look at the standings sheet provided.

The following attendance prizes were given out on Saturday evening: 2 craw packs, a shad rap, and a free tournament.

This year we have been trying to make the take-off and weigh-in procedures much smoother than in the past. The officers would like to thank our tournament directors for their outstanding contributions and it seems that we have finally found a system that works with their help. The officers would also like to thank the club members for being patient with us. So in order to keep the confusion down to a minimum, we ask that everyone keeps themselves up to date on the procedures.

The next tournament will be held at Mark Twain Lake and will be out of the South Fork boat ramp. Please look at the Tips & Trips sheet for dates, times, directions and other lake information.

Dan Durbin looked into the insurance problem we thought we might have and it turns out that we really do not need any at all.

Just as a reminder, the coat and hat order will be placed before the weekend of the May tournament. We will be doing this again in October. Hope to see you all in May at Mark Twain.
