## Hawg Hawfers

The May tournament for 1992 was held at Mark Twain Lake. We had 12 boats at the tournament, and out of the 24 anglers only 8 were lucky enough to hit a pattern that would pay off big. The rest of us should have gone crappie fishing instead. Big bass for the year was broken this month with a fish that weighed 6.58, .02 lbs bigger than its predecessor. Mark Henry was able to land this hawg with the help of his partner Dan Price. He caught the fish on a large bronze colored crank bait moving real slow. With this fish as a kicker they were able to land 26.14 lbs of fish which was more than enough for first place.

The team of Tony Meyers and newcomer Cory Gold were able to find 12.45 lbs of fish for second place.

Third and fourth place was very close. Third went to Bob Ray and Ralph Rudolph with one fish weighing 5.18 lbs. Fourth place went to the father and son team of Tom Clark and T.R. Clark with one fish weighing 5.14 lbs. That is only .04 lbs separating the two teams.

As an overview there was three fish that weighed in the 5 lb range, one 6 lb, and two in the 4 lb range. The total weight caught for this tournament was over 55 lbs. For the rest of the standings, look at the angler of the year sheet to see how the rest of the field did.

Attendance prizes were handed out after the tournament was over Saturday night and the following people won:

Micky Sease-----Lizard Tail  
Rip Clark-----Hat  
Tony Meyers-----Free tournament  
Greg Heinz-----Hat  
Tom Clark-----Craw pack  
Gary McFetridge-Scissor tails

We welcome to the club this year as new members Cory Gold, James Robertson, Ralph Rudolph and Ed Lavall

The club would like to thank Mark Henry for letting some of us stay at his place at Mark Twain.

In order to make things a little more interesting, it has been suggested that on the second day we reverse the order of take-off. We will try this at the next tournament to see how it works out.

Thanks to the guys that made it to the weigh-in at the parking lot even though they put in at the other side of the lake. It does make the weigh-in more enjoyable when everyone participates.

The next tournament is at Truman Lake. Please take a look at the Tips and Trips sheet for take-off times and weigh-in locations. The final day to mail in registration is June 3rd. Any registration after that date is subject to a late fee of \$10.00.
