## Hawg Hawlers Bass Club of St. Louis

((August 1997))

### Pomme De Terre Results . . . .

Boy, can we schedule or what??? The first time the Hawg Hawlers had a morning/morning tournament, happened to be the hottest day this century (at least it seemed like it). It was also a fish/golf weekend. From all reports the golfing went pretty well. There were quite a few takers on the links, and the scores didn't quite match the heat index. The way I heard it though, some golf anglers opted NOT to play the back nine in favor of the air conditioned room they paid for. Well, a good time was had by all, and we will do it again next month at Wappapello.

Fish story of the weekend involved a 5lb drum, a club members thumb, and something dumb. The angler with the thumb was unhooking the drum, and trying to hold the drum with his thumb. The drum decided to flop, thus catching the thumb. The drum fell off the excaliber treble hook as the thumb was being connected to it. For just an instant though, the drum and the thumb and the excaliber treble hook were all one. The thumb thought, 'Boy, this was dumb' (his partner agreed). Thank goodness the hook came out of the drum as it entered the thumb. The drum didn't seem much the worse for wear, but the thumb still looks like a plumb. I will keep from embarrassing the thumb owner, but I will say that it hurts every time the space bar is hit.

With the leader in the "Angler of the Year" race not in attendance, it was a perfect opportunity for a number of anglers to make up some ground. Some did. But Dave's former 9 point lead was only cut to 6 points. There are more members in the hunt now, with a much tighter race. See the Points sheet enclosed.

#### ☺ ☺ Coat-tails Award ☺ ☺

....or the "Netter of the Month". . .

**Donna Creamer** becomes the first of our BASS-N-GALS to take this one. Donna netted enough of Tom's fish to put them in 4<sup>th</sup> place.

### Next Tournament - Wappapello. . .

This could be the determining lake in the "Angler of the Year" race. Wappapello with NO SIZE LIMIT, is a place to rack up some points. With the NO CULLING rule in effect in August, you have to be careful what you put in the livewell (because it has to stay there). If you still can't decide whether to attend, look at the numbers below. We catch a lot of fish at Wappapello. This will be another morning/morning tournament, so golf will be available.

*Stretch D. Truth* says . . . "Monday, a friend had

a near death experience. He went horseback riding, and all of a sudden the horse started bouncing out of control. He tried to hang on with all his might, but was thrown off. His foot got

caught in the stirrup, and he fell head first to the ground. His head continued to bounce because the horse didn't stop, or even slow down. Just as he was giving up hope, and starting to loose consciousness the Wal-Mart manager came over and unplugged the horse."
