## Hawg Hawlers Bass Club at Bass Pro Shops

Hawg Hawlers Bass Club manned a table at Bass Pro Shops Spring Fishing Classic this past weekend (February 24, 25, 26). We handed out flyers, talked to folks about our club and sold raffle tickets to raise funds for the club. We put together a fishing package with a retail value of \$300. It includes tackle bags with boxes that are filled with a variety of baits and a Quantum rod with a KVD Quantum reel. We will be selling tickets up to the drawing which will be held on March 18. If anyone would like to purchase raffle tickets to support the club please contact any officer or you can come out to Cabela's on March 17 & 18 where we will be set up to promote our club and sell more raffle tickets.

We want thank everyone who helped make this event a success - Mike Jankowski, Ken Jones, Chris Himstedt, Dan Durbin, Bob Treadway and Pam Wakim. If anyone is interested in volunteering to help out at Cabela's March 17 and 18 contact any officer or just come on by to shop, say hello or buy some tickets. We hope to see some of you there!

Hawg Hawlers President Greg Shands

By Greg Shands

Well, here we are about to kick off another season of great fishing.

For me this winter has been very busy and to be honest with you all, I haven't even looked at my boat let alone gone fishin'. I bought some new reels and a few new lures. I had a bubby give me the famous Alabama rig and it's hanging right here in front of me now, yelling at me to go fishin'.

This year your Officers have completely out done their selves with the schedule. We have tried very hard to give everyone what they asked for.

As usual, first up is Clearwater. It always works well fishing this lake to kick off the season. Next is Lake of the Ozark. This year we are going to have a big bass bash on Friday evening. It will be a three hour event with 100 % payout. This event is optional for people who want something a little extra. Next is Table Rock Lake. This year it is at a little later in the year and with a little warmer water temps the fish should be in a better biting mood.

Next is Pomme (now hold on to your seat, here comes the fun part). Pomme will be 3 sessions: Saturday morning, Saturday afternoon and Sunday morning. This should make for an interesting tournament. Mark Twain is next on the list. This year we are taking off out of a different ramp, one closer to the dam. This will be new water for some of us. July will still be Wapp and Andy and I are planning on another fish fry. August is back to Pomme with a regular tournament. September we are going to try a new lake, Rend Lake in Illinois. This lake is close enough that the money you will save on gas will more than outweigh the cost of a license. Last on the list is good old lake of the Ozark at Runaway II Resort.

That is your 2012 season. I hope you all enjoy your selves this year and get to fish as many tournaments with us as possible.

I'm looking forward to seeing everyone's faces at Clearwater in a few weeks.

Be sure to check your boat and trailer over before starting the season. It's always better to fix a problem at home with all the tools you need than to try and make do along the side of the road somewhere.

Good luck to everyone and be safe.

Greg
