Tim & John Dring took first place at the Spring Kentucky Lake tournament held out of **Moor's Resort** beating out 22 other boats. They brought 5 fish to the scales on Saturday totaling 13.35 lbs and were able to do even better on Sunday with 7 fish weighing 16.76 lbs. Their combined total of 30.11 pounds put them in first with a cushion of nearly 7 pounds. Their biggest fish was caught by Tim on Saturday weighing 4.25 pounds and was the biggest fish of the day. The Drings reported catching their fish on **Jigs** and **Brush Hogs**. Congratulations to Tim & John! **First Place Payout was \$272**

Lake News

The Big Females were elusive.... While good numbers of fish were caught, the quantity of giants the club hoped to weigh in was lower than expected. Several locals and even pro fishing reports noted that the lake was much tougher to fish this week than normal. Largemouth were in pre-spawn, spawn, and post-spawn patterns and scattered throughout the lake. Like always, the Smallmouth seemed to be further along than the largemouth and were harder to find, although Greg Shands found himself hooking into a nice smallie on Sunday weighing just under 4 pounds. It seems the best working patterns and quality fish were caught off primary and secondary points in slightly deeper water dragging a jig or brush hog.

The water had been steadily rising over the past few weeks as the TVA strategically inched the lake toward summer pool. By the time of tournament blast off, the lake was pretty much there. The legendary submerged "yellow flowers" were visible in many areas of the lake and flooded buck brush was present.

Tournament Big Bass - Bob Shibe

Bob Shibe's season only continues to get better. He has placed in every tournament so far and is in the lead for Angler of the Year. He caught a beautiful 5.59 lb largemouth on Sunday to take Big Bass of the Weekend. So far, this is the 4th largest fish weighed in this year and only .29 pounds under the leader (Don Nickel). This whopper helped Bob get 4th place for the tournament.

Congratulations Bob!

Big Bass Saturday - Tim Dring

As if winning the tournament wasn't enough, **Tim Dring** caught a nice 4.25 lb bass on Saturday to win big bass of the day and add another check to his tournament winnings.

**Congratulations
Tim!**

OPC Marine has been a major sponsor of the Hawg Hawlers for years. Schedule your boat for an Outboard Annual Service which includes checking main engine components, fluid levels, greasing fittings, replacing the water pump, spark plugs, fuel filter, gear lube, pressure test of gear housing seals, and much more. There is simply too much to list!

If you are having trouble starting your boat up for the first time this year give OPC a call to get you back on the water. Culprit is sponsoring us again for our Mark Twain tournament. They have tons of awesome baits that have been fooling bass for years. I personally love their Incredi-Craw for jig trailers and Carolina rigs. Check out their new 4" Incredi-Frog which features

"Incredible" easy casting and leg action imitating a fleeing frog! The body has tapered edges and a dense shape to make it heavier and more aerodynamic. The hook pocket enables easier hook-ups and the ribbed belly provides a smoother pull across vegetation. www.culprit.com

G Loomis - With 8 different lines of bass fishing rods (NRX, GLX, E6X, GL2, Classic, Bronzeback Series, Fiber-Blend) you should have no problem finding the perfect rod for whatever type of technique you prefer.

If you've never fished with a G Loomis rod before, you don't know what you are missing. These are some of the most sensitive rods out there and built for serious bass fishermen. www.gloomis.com

Shimano is by far one of the world's most premier fishing tackle companies and highly respected by bass fishermen everywhere.

Given the Curado's great reputation as the gold buy standard of affordability priced bulletproof baitcasters, it's likely there are more of these reels in bass boat rod-lockers than any other make. It's hard to believe that even in the spinning reel world, Shimano hit another home run with their Stradic Ci4 (check the online reviews if you don't believe me). I recently picked up one of their Crucial rods a Bass Pro and let me tell you it is one of the lightest rods I've ever handled.
