Jeff Schwent and Teddy Reim took first place at Table Rock lake weighing in 5 fish on Saturday and 3 fish on Sunday for a combined weight of 18.89 pounds. They beat out 30 other boats and reported catching their fish on craw colored wiggle warts in the back of creek arms. It just so happens that Teddy also won the 1st tournament of the year last year at Lake Egypt so he has this cold water thing figured out!

Congratulations Jeff & Teddy!

Lake News

Table Rock Lake saw 31 boats turn out for the inaugural tournament of 2019. Ken Jones led the club in a moment of silence before takeoff on Saturday to honor the past members who are no longer with us. The water was very cold at 44 degrees in the morning and it only warmed up to about 48 in the afternoon. It seemed the majority of anglers were throwing Alabama Rigs, Jerkbait, Jigs and crankbaits with limited success. Only 45 fish were brought to the scales proving just how difficult it is to catch bass in 40 degree water.

We did have an excellent get-together at RT's restaurant in Kimberling City on Saturday evening. Over 40 members showed up for food, drinks and fellowship. Although the fishing was not the greatest, everyone said they had a lot of fun and enjoyed themselves. A big thanks to all those who showed up to fish and to Holiday Hideaway for hosting the club!
