Lake News

August Pomme had a field of 28 boats. The water was about 4' high and had been falling about 6 inches a day until just before the tournament when it slowed down quite a bit. The weather was awesome for August and mostly overcast and rainy for most of the fishing both days. A lot of big fish were caught with 13 fish that were 4+ pounds being brought to the scales. In fact 3 of the current top 10 Big Bass were caught at this tournament including Tim Dring's 5.98lb largemouth which ranks #2.

Just so you know, Tim & John Dring's best 5 fish weighed 24.22 pounds!!! Holy Cow!!!! 285 fish were brought to the scales in total and a 25.0lb bag did not get you a check!

Thanks once again to Dale and his wife at Nemo resort for the catered BBQ dinner on Saturday Evening. The pulled pork, cheesy-potatoes, green beans and dessert were top notch and I didn't see anyone leave hungry.
