**Greg Shands** and **Bryan Slaughter** took 1st place on Mark Twain weighing in 6 fish for 12.76 pounds. They reported catching their fish with Speed Craws and the majority of their fish came out of the same "small" spot. It seems that new boat of Greg's is already starting to pay for itself!

**Congratulations Greg & Bryan!**

## Lake News

**Mark Twain Lake** continues to be a difficult fishery for the club. Only 26 bass were brought to the scales over the 2 day weekend. Water clarity was about 2 1/2 feet in some areas (Closer to the Dam) and pure chocolate milk in others (North Fork Arm). Shad were found in the backs of the creek arms, but it didn't seem like the bass knew that. Quality was also poor with not a single fish over 4 pounds being caught.

The club did have fun, however, at South Fork resort thanks to Jeremy's Frozen Margarita Mix. After a full day hauling water it felt nice to drink away those bad memories!

Number of Boats	23
Number of Fish Caught	26
Total weight all Fish	59.77
Avg Weight per Fish	2.29
Avg Fish per Boat	1.13

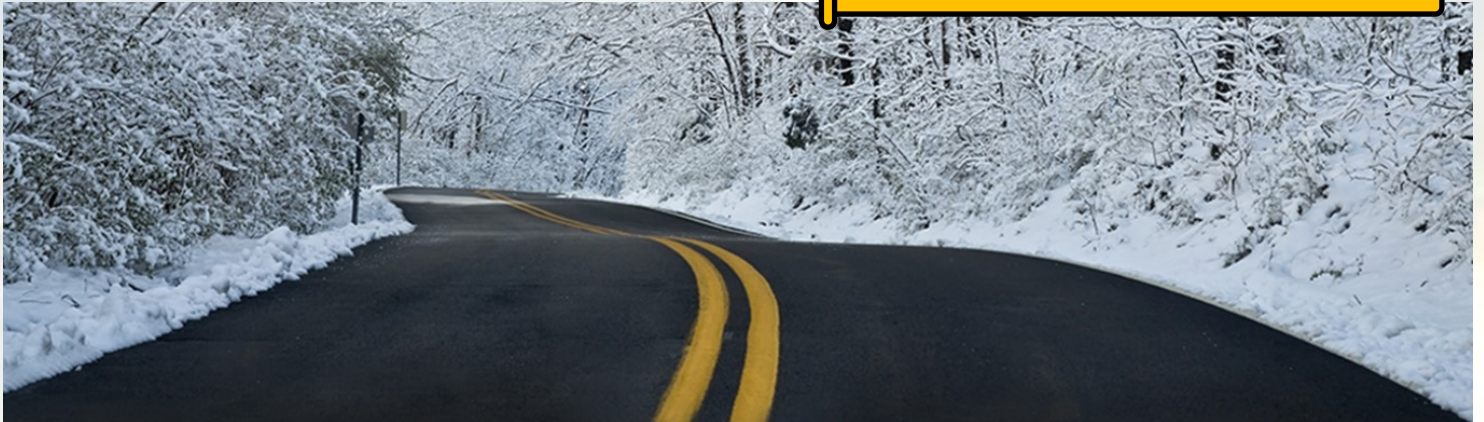

Water Temperature	Mid 70's to 82 degrees
Water Clarity	Stained up North Fork / Light Stain closer to Dam
Air Temp (Low/High)	67 / 85
Wind / Sky	Sat: Bluebird / Sun: Overcast
Water Level	2' below normal pool

## **Tournament Sponsor**

**Ken & Nicole Boegeman**

Ken Boegeman, Jr. is the President of Swinter Group, Inc. Having developed a passion for snow and ice management helping his father as a child and through adulthood, Ken dedicated a great deal of his time to learning best practices such as equipment and material knowledge; contract language; snow removal and deicing operational tactics; and crew, material, and slip & fall risk management.

In 2008, Ken attained the Certified Snow Professional (CSP) designation from the Snow and Ice Management Association (SIMA). The CSP is a highly sought after credential that is only awarded to an individual after they meet experience requirements and pass a written test proctored by SIMA. There are very few CSPs relative to the amount of snow removal contractors in North America. CSP testing covers fields such as snow and ice science, operations, techniques and subcontracting.

Ken has been a member of multiple committees in SIMA and has helped in many different facets at the Snow & Ice Symposium, including co-leading educational panels. The symposium is an annual national 4-day event put on by SIMA.

Ken has Snow & Ice Management experience in Missouri, Illinois, Kansas, Iowa, Minnesota, Wisconsin, and Indiana; and he has extensive knowledge in the following area:

- Types, sizes and best usage of snow removal equipment
- Granular, pelletized, flake and liquid deicers
- Deicing product blends
- Snow clearing techniques based on varying types of weather

Next Tournament - Ozarks October 19-20

Take Off Location	Red Oak Resort
Tournament Hours (Saturday)	7:30AM - 2:30PM
Tournament Hours (Sunday)	7:30AM - 1:30PM
Tournament Directors (Saturday)	TBD
Tournament Directors (Sunday)	TBD

**Oct 19-20**  
**Red Oak Resort**  
524 Recreation Row,  
Camdenton, MO 65020  
(573) 873-9400

## Tournament Event

**Chili Cookoff @ Red Oak.** The event is free for all those who attend. It will be on **Saturday** evening after the tournament. You will need to bring your own drinks. If you plan on bringing chili, please post on the message board, FaceBook or email me so we can keep track of how much we are going to have. The club will provide crackers, hot dogs & buns (for chili dogs), bowls and spoons.
