Tourney Lake News

NORFORK LAKE brought 26 boats to the lake for a high water adventure of HH fishing competion!

Saturday's weather, partly sunny/cloudy with a Saharan sandstorms blowing in that created a haze in the air.

Takeoff temps in the low 70s and warming up to the mid 80s on Saturday. Sunday had higher temps to 89, and mostly sunny and warm. Both days had breeze levels that differed depending on what part of the lake you were fishing.

Water temps ranged around 82 to 85ish degrees and was clear with a slight stain everywhere I fished. Water level was 26 feet above full pool of 552.00 ft. and made it difficult for most to find fish.
