Tourney Lake News

POMME de Terre brought 29 boats to the lake to kick off a decent weekend of fishing with a little rain, lightning, clouds and sunshine.

Saturday's weather started out nice but turned to rain and lightning and ended in time enough for a dry weigh in.

Sunday started out cloudy with the sun peeking through periodically during the day. Temps were mild both days reaching mid to high 80s.

Water temps hung around 82-83 degrees and had slight stain due to the rain. Water level was at normal summer pool but rose slightly on Sunday.

PS. If you have pictures from your boat that you want to share with the club....please send them to me. I'd love to see/use them if space allows.
