Bull Shoals News

BShoals brought 28 boats to the lake to try and figure out how to fish 30+ foot over pool water... in the heat!

The weather for both days was HOT, reaching high temps into the 90's and feeling more like 150 degrees.

Water temps were in the mid to high 80's and 30+ foot above "normal pool"...whatever that is. (BShoals hasn't been at "normal pool" in about 10 years)

Several teams struggled to find any pattern but a few managed to hit the fish on the head. Congrats to those that figured it out.

It appears that the fish were behind the bushes on the bank side going after the spawning bluegill and hiding from those of us that fished in 30 to 40 foot of water.

Cory Schutte and Mark McCartney win BShoals

Cory and Mark knew where the fish were from the start, or so it seems. They brought a 2 day limit to the scales for a total of 27.44 lbs of fish and caught them all in 4 foot of water or less.

First place payout was \$288 smackeroos.

Congratulations Cory and Mark!
