Romaine/Priesmeyer win Stockton

Jim & Patrick beat the odds of the “Stockton Wind Turbine” and managed the win with 9 fish and 20.50 lbs. Jim commented that he had to tie down Patrick to keep him from being blown away with the wind.

They caught their fish on Shakey head Z-Craws fishing both deep and in the bushes. First place payout was \$256.

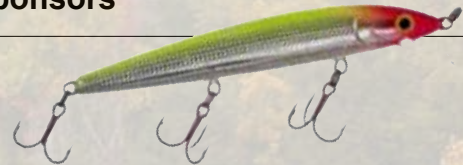

Congratulations guys!

Stockton News

Stockton brought 21 boats (paying out 6 places) to the “Wind Turbine” of South West MO.

Saturday started with rain/lightning and an hour + delay, but drying mid morning with sunshine and WIND!

Sunday was clear and cool with WIND!

Water temps were in the low 60 degrees depending on where you were in the lake. Warmest water I saw was 65 degrees. Water level was 3 foot over normal pool and not quite in the sweet spot of the bushes. Water clarity was nearly 10 ft in some spots.

Overall, everyone seemed to struggle finding fish, which was the case last year in September also. The wind may be the factor in it.....???

Successful baits were jigs and shakey heads, baby brush hogs, z-craw and a bit of top water.
