## TRock II News

**TRock II** brought 33 boats (paying out 8 places) to the lake for a WET and very cool weekend of fishing. Saturday brought enough rain to swamp anyone and added a cold breeze. Sunday was cool in the 40s at take off and reaching high 50s at weigh in.

Water temps on Friday were near 80 degrees and cooling on Saturday with the rain. By Sunday, water temps dropped to the high 60s again.

Lake level was nearly 8 ft over normal pool and dropping...even during/after rain on Saturday.

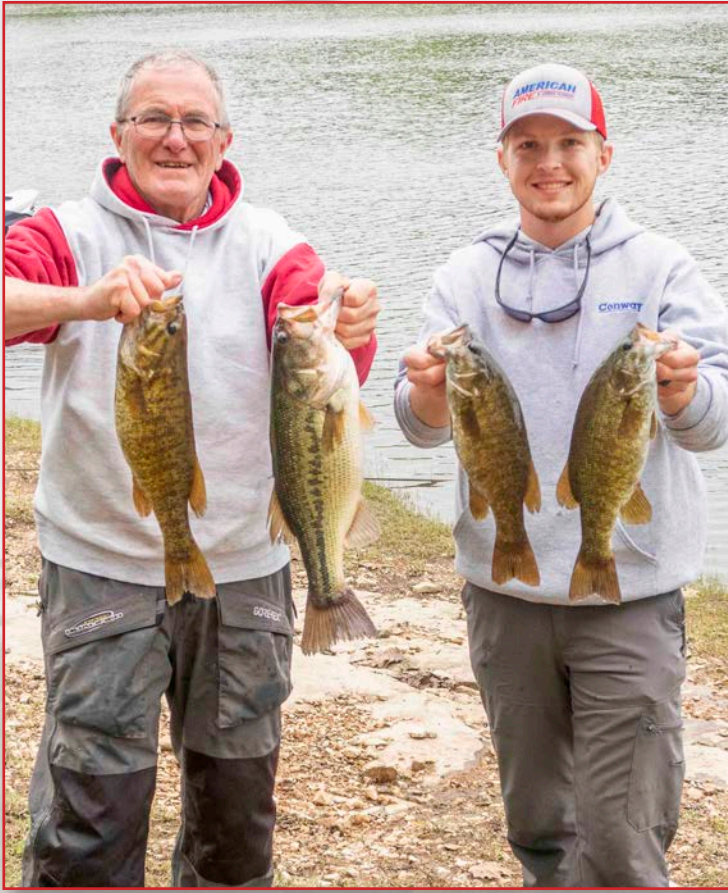

Water clarity was dirtier the further away from the dam and futher back in the creeks that you were. With dark skies it was difficult to see through the water.

Successful baits were Ned rigs, Shakey Heads, Jigs, and I heard a few reports of topwater working well. Fish were found up shallow and out deep.

It was great seeing everyone again. Hope to see you at Pomme June 11/12.
