Truman News

Truman brought 23 boats (paying out 6 places) to a stump and tree filled maze of a lake. But, if you pay attention, the channel is easy to follow.

Saturday morning started off cool in the mid 50s and warmed to the high 80s by weigh in. Still with a slight breeze, it was great weather. Sunday temps started the same but only warmed to about 80 degrees with a stiff wind starting around 10AM.

Water temps in the low 80s depending on where you were with levels at 704.7 ft. and stained more as you move away from the dam.

Fishing was tough for most, but this time of year brings tough fishing as the fish transition to a fall pattern on most lakes. To some, the "challenge" makes it interesting.

Successful baits were jigs, shakey heads, brush hogs, crank baits and maybe a bit of top water.
