Bull Shoals News

Bull Shoals 2023 brought 21 boats to the lake to battle it out to see who could find a fish over 6 inches.

Morning temps at take off (both days) was in the mid to high 50s, but Saturday warmed to the mid 90s by weigh in and Sunday stayed beautiful with high temps in the upper 80s.

Water temps stayed in the high 70/low 80 degrees for both days. Water level was 3 foot foot low and showed us banks and structure that we'd never see at normal pool. Water clarity was gin clear with visibility at 6ft or more in some places.

Most boats were able to weigh fish, but fishing was still a tough fall pattern.

Winning teams caught fish on Ploppers, Jigs and drop shots.

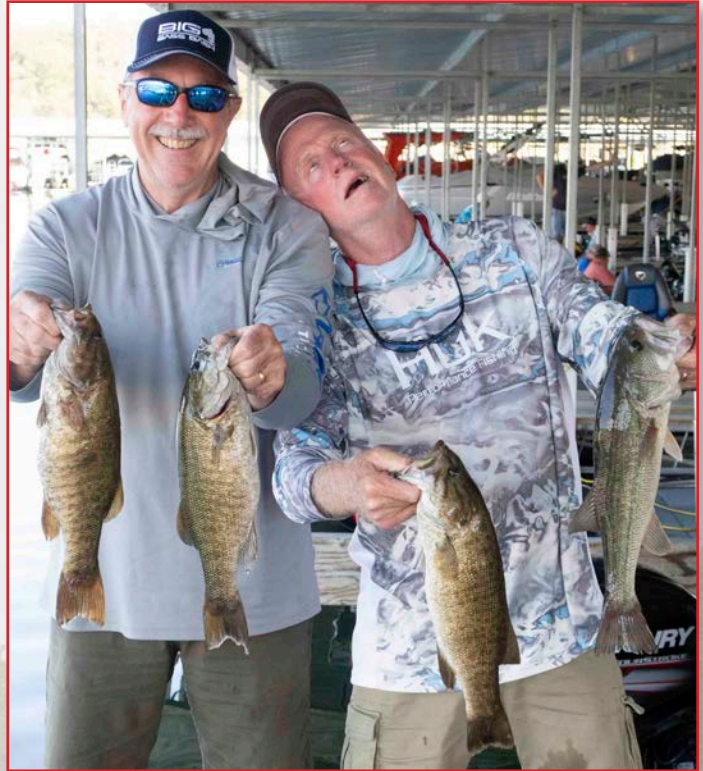

Next tournament is at LOZ - 10/21- 10/22.
See page 8 for more details.
