Pomme II News

Pomme II brought 29 boats to a the lake to battle it out on the Pomme and the Lindley.

The weather on both days started out abit muggy but not that hot and worked it's way up into the mid to high 80s. Both days threatened us with severe storms, but most of that passed subjecting us to a bit of rain on both days with cloud cover to boot.

Water temps hung pretty much around 85 degrees all day for both days. Water level was about normal (official term) and the farther away from the dam the more color/mud it had.

Fishing was tough for a few, but most caught fish both days fishing in a typical "Pomme Pattern".

The winners caught fish their fish on a jigs and shakey heads.

Next tournament is at Stockton - September 9 -10. See page 8.

Svetina/Frazier win Pomme II

Mark & Brandon limited both days and weighed in for a 2 day total of 24.41 lbs

They report that they caught all their fish on shakey heads and jigs.

First place payout was \$300. (I think)

Congratulations Mark and Brandon!
