Pomme II Lake News

Pomme II brought 31 boats to one of our club favorite lakes. (paying 8 places)

Saturday's weather was great at take-off but storms and lightning rolled in around 10:30 and continued the downpour until weigh in. It did however cool things down. Sunday was beautiful in the morning and warming to a steamy hot by weigh in.

Water temps hung around the low to mid 80s. Water level was 2-3 ft low but rising a bit due to Saturday's rain. Clarity was stained with 2-3 ft visibility.

Fishing was more of a "dink-fest" all weekend with lots of short fish caught. Most anglers managed to catch their limits, total weight was overall down from a typical Pomme tourney.

We weighed 273 fish for the weekend with several fish with an average weight of 1.62lb per fish. Averages were slightly better than our Pomme I tournament earlier this year.
