Goings/Harper win TRock II

Jeremy & Rich managed to find 12 fish to take the win at TRock, again. They both brought in limits for each day with a total weight of 23.78 lbs. They report catching all their fish on Spooks, Spoons and Chatterbaits. First place payout was \$288 that they spent on forks and knives to complete their silverware set. Congratulations Jeremy and Rich!

TRock II Lake News

TRock II brought 28 boats to the Rock. (paying 7 places)

The weather was great both days with sunny skies and warm temps into the low/mid 80s. Take off on Day 1 was delayed 30ish minutes due to fog.

Water temps ranged from low to mid 70s and the water level was 3 ft high. Clarity was clear to stained with clarity ranging from 1 to 4 depending on where you were on the lake.

Fishing overall, was pretty good in the mornings and shutting off around 10 AM each day. Top water bites were critical for most if you wanted to catch a limit.

Two boats broke down and club members stood tall to help both boats get back to take off or on the trailer. This club has and always will have amazing members that sacrifice their time to help each other when necessary. THANK you to all that stepped up to the plate and helped out.
