## Truman Lake News

**Truman** brought 16 boats to the lake with a payout of 5 places.

Weather was unusually warm for a "Fall" Saturday (low 90s) with a high sun and bluebird skies. Sunday still had bluebird skies, but only reached the mid 80s. Both days, takeoff was in the mid 50s.

Water temps were in the mid 70s. Clarity was clear to stained with visibility around 3-4 foot.

Lake level was down 2 feet from normal with trees standing just above the surface.

Fishing overall, SUCKED! Out of 32 boats, day 1 produced 15 zeros and day 2 produced 17 zeros. If you found them, you were among the few.

IMO, Truman lake takes practice and it seems that the Hawg Hawlers this weekend were not tuned into what it takes to fill a bag. We are still the best club around to fish with.
